

City Centre Location

Freemans Bay School is only 20 minutes' walk or a 10 minutes' ride on the bus from the city centre. Auckland City has excellent facilities including parks, theatres and family entertainment. We provide advice on accommodation options and support with meeting other families for an engaging New Zealand experience.

Our school is a fantastic educational choice for International students providing:

- ✓ A caring and welcoming NZ experience
- ✓ English language classes-speaking, reading and writing with specialist teachers
- ✓ In-school support
- ✓ A rich future focused curriculum
- ✓ Advice on accommodation options
- ✓ Support with meeting other families for a rich community experience.

Excellent Care and Support

Janene Maskell

International
Director

If you are enrolling as an International student, you can contact the school office to make a time to meet with the principal and be given a tour of the school. At this time, you will have an opportunity to view our facilities and discuss our English languages programmes with our experienced staff. The school has two Mandarin speaking teachers who make sure that the students are happy and settled at school. We look forward to welcoming you to Freemans Bay School.

Introduction to Freemans Bay School

Sandra Jenkins

-
Principal

Freemans Bay School is a top performing primary school with an excellent reputation for a modern curriculum. Our latest Education Review Office report states: "Students at Freemans Bay School are highly engaged in their learning and participate actively to their lessons. Classrooms are characterised by settled and busy students who are confident and capable learners. The positive tone of the school, and the respectful relationships evident at all levels, help to maintain students' focus on learning."

Cultural Richness

At Freemans Bay School, students are encouraged to embrace and respect the amazing diversity of cultures. Their different experiences will make them responsible local and global citizens.

Rich Curriculum

We offer English language classes – in speaking, reading, writing with specialist teachers. We provide a rich curriculum including physical education, music, science, technology and school trips. Our curriculum is future focused and includes an online learning package which allows learning to continue at home.
